Contact your Mitel representative to learn more!

Terms & Conditions

Customer has 90 days from the first activation of the services to use and evaluate the MiCloud Connect services against Mitel specifications and SLA. After 45 days of use, if customer is not satisfied, Mitel will have 30 days to address concerns. If after 30 days, customer is still not satisfied, customer may cancel service order and return any devices, paying only the shipping charges and service charges incurred. See your service order for full terms and conditions.
